Sophie has experience of a variety of work in the mechanical and chemical fields, including the oil and gas industry and consumer goods, amongst other areas. In addition to drafting and prosecuting patent applications, she also handles trade mark work and registration of UK and Community registered designs.

Sophie graduated from Cambridge University in 2001 with a Masters degree in Natural Sciences, having studied physics, chemistry, geology and maths. She entered the patent profession in 2002, qualifying as a patent attorney in 2006.

Sophie joined the firm in 2007.
